

STRATIFICATION ECOFORESTIERE

Table with columns: Code, Description, T1m, T2m, Hauteur, Non forestier. Includes a legend for 'Exemple d'appellation'.

Table with columns: Code, Description, T1m, T2m, Hauteur, Non forestier. Includes a legend for 'Exemple d'appellation'.

TYPES DE COUVERT ET ESSENCES SELON LE PROGRAMME D'INVENTAIRE. Description of forest types and species.

MELANGES. Description of forest mixtures.

Table with columns: Code, Description, Hauteur, Non forestier. Lists various forest codes and their characteristics.

INFORMATIONS GÉNÉRALES. General information about the map and data sources.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

Table with columns: Classe de densité, Hauteur, Non forestier. Shows density classes and their corresponding heights.

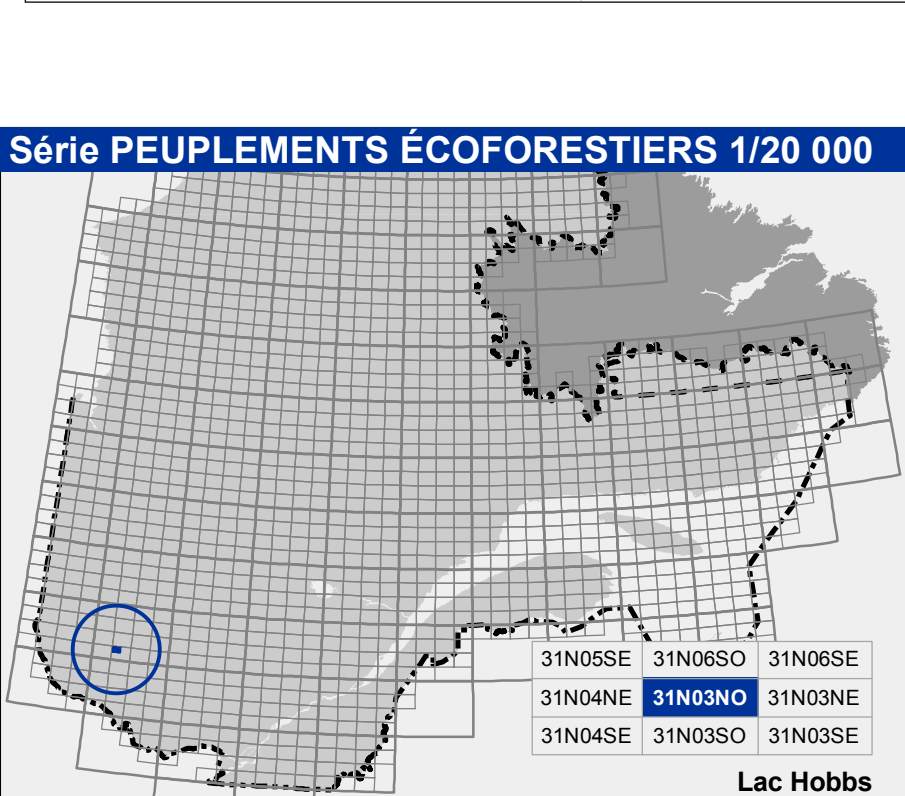

Table with columns: Voies de communication et ponts, Hydrographie écoforestière, Obstacles et infrastructures. Lists various features and their symbols.

Table with columns: Peuplement écoforestier, Courbes de niveau, Méadonnées. Lists various features and their symbols.

Table with columns: Peuplement écoforestier, Courbes de niveau, Méadonnées. Lists various features and their symbols.

Table with columns: Peuplement écoforestier, Courbes de niveau, Méadonnées. Lists various features and their symbols.

Table with columns: Peuplement écoforestier, Courbes de niveau, Méadonnées. Lists various features and their symbols.

Table with columns: Peuplement écoforestier, Courbes de niveau, Méadonnées. Lists various features and their symbols.

Table with columns: Peuplement écoforestier, Courbes de niveau, Méadonnées. Lists various features and their symbols.
